OALA Honoring Excellence Awards 2017

Again this year, The Ohio Assisted Living Association will recognize the efforts of staff from our member communities who are doing an outstanding job. If you or someone you know deserves this honor, complete this form. We will be honoring individuals in the categories below. (An individual does not have to be the Director or Department Head in a category to receive the award.) *Nominees should be individuals who have demonstrated outstanding vision, innovation, leadership, compassion, creativity, talent or effectiveness in their positions.*

Nominations need to be returned to the Association office by **Wednesday, September 27, 2017** to be considered. The announcement of honorees will be made at the OALA Fall Conference, October 26-27, 2017. Award winners will be recognized throughout 2018 in OALA publications, be posted on the OALA website and receive a commemorative plaque. We will also send a photo and news release to the winners' local newspapers. Decisions on nominations will be made by a Committee of the OALA Board of Trustees.
