You need your staff to be well-trained, educated and prepared to deliver high-quality person-centered care to seniors in your assisted living community. Collins Learning provides the knowledge they need to provide compassionate care and excellent quality of life.

Collins Learning is the preferred learning partner of assisted living communities across the country, here's why:

- Effective leadership team training on our easy-to-use and intuitive system
- Customized and automated course tracks for:
  - Annual compliance training requirements
  - New hire onboarding
  - Memory care training and education
- Staff are alerted by email when new courses, documents or messages are shared with them
- Upload and share important documents like policies, procedures and company news
- Complete nursing assistant skills and competencies with our evaluation tool AND more!

**Training in person is very expensive, time-consuming and stressful. The documentation can become messy and burdensome. Training staff on platforms that are complicated, expensive and outdated is unnecessary. Our clients love that we:**

- Don't have long-term contracts
- Build your account, train your staff, and customize course tracks at no cost
- Will work to seamlessly integrate with your payroll/HR software at no cost
- Integrate your custom content at no cost
- Answer our phones and deliver world-class client support and service

**Collins Learning helps you increase compliance and competence, reduce costs, mitigate risks and better prepare staff in every department.**
